[Autodesk Inventor Crack 2020 With Serial Keys](#)

The screenshot shows the Autodesk Licensing - Activation Options window. The main window displays the Autodesk logo and the text "Product License Activation Options". Below this, the product details are listed: Product: Autodesk AutoCAD 2018, Serial Number: 666-69696969, Product Key: 001J1, and Request code: 6Y3T FTFJ LLA3 QKR6 0L4V 4KT7 RUXF VYPZ. The request code is highlighted with a green box and labeled "copy 1". Below the product details, there are two radio buttons: "Connect now and activate! (Recommended)" and "I have an activation code from Autodesk". The second option is selected. Below the radio buttons, there are 16 input fields for the activation code, arranged in a 4x4 grid. A "Clear All" button is located below the input fields. At the bottom of the window, there are "Back", "Close", and "Next" buttons.

Overlaid on the main window is a smaller window titled "X-FORCE" with a purple and black background. It contains the text "past [redacted] sk 2017 products". Below this, there are two text boxes: "Request:" containing the same request code as the main window, and "Activation:" containing the text "And press Generate". Below these text boxes are three buttons: "Patch", "Generate", and "Quit". The "Patch" button is highlighted with a red box and labeled "3".

Another smaller window titled "Info" is overlaid on the "X-FORCE" window. It contains the text "Successfully patched" and an "OK" button. The "OK" button is highlighted with a red box and labeled "4".

Red arrows point from the "copy 1" label to the request code field in the "X-FORCE" window, and from the "3" label to the "Patch" button. Another red arrow points from the "4" label to the "OK" button in the "Info" window.
